### FOOTBALL

Fun warm up games, skill development and small sided matches. Ideal for beginners and more talented players.

### DODGEBALL

Dodgeball is a super fun game played with soft, safe balls. The children are split into two teams and aim to hit each other with the balls. The children learn defending and attacking techniques and take part in matches.

### FUN & FITNESS

A variety of fun team games and activities to music. Ideal for developing fitness and confidence.

### CROSS COUNTRY

Our cross-country club is a great way to learn running techniques, improve fitness, practise long distance running and prepare for competitions. The sessions are fun and often include music to motivate the children.
